ABOUT US

Who We Are

SEO Company Lahore was founded in 2025 as a results-driven agency built for businesses that want honest, measurable growth — not vague promises. We work with local businesses in Lahore, brands across Pakistan, and international clients who need a digital partner they can trust. We combine AI-powered analysis with real, hands-on human expertise, so every recommendation is backed by live data, not guesswork.

M

Our Mission

To help businesses grow through honest, data-backed strategy — combining AI-powered analysis with real human expertise. Above all, our mission is simple: bring our clients more leads.

V

Our Vision

To be the digital growth partner businesses genuinely trust — one that treats every client's growth like our own, and builds lasting results instead of quick wins.

OUR TEAM

The People Behind the Work

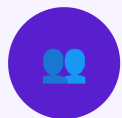

A small, hands-on team that treats every client's business like our own.

Waseem Khan

FOUNDER

Waseem leads SEO Company Lahore with a hands-on, results-first approach — working closely with every client to build strategy that fits their specific goals and budget.

Our Specialists

TEAM MEMBERS

Our team brings 5+ years of hands-on experience across SEO, web development, and digital marketing — real campaigns, not just theory.

WHAT WE DO

Our Services

SEO is our core focus, but we support your full digital presence.

On-Page & Off-Page SEO

Technical fixes, content optimization, and quality link building for rankings and authority.

Local SEO

Google Business Profile optimization, citations, and reviews to win local search visibility.

International SEO

Multilingual, region-specific strategy for brands targeting more than one country.

Social Media Marketing

Consistent, on-brand content and management across your social platforms.

Website Development

Clean, fast, mobile-responsive websites built to support your SEO and sales goals.

Google Ads

Targeted paid campaigns that bring in leads while organic rankings grow in parallel.

Content Writing

SEO-optimized, human-first content that ranks and actually gets read.

Technical SEO

Site speed, schema markup, crawlability, and indexing fixes that unlock rankings.

HOW WE WORK

Our Process

A clear, structured process — every step planned with a specific purpose.

1 Website Audit

A complete technical and on-page audit to identify exactly what's holding a site back.

2 Keyword & Competitor Research

Finding the exact terms customers search for, and what's working for competitors.

3 Strategy & Roadmap

A clear, structured roadmap aligned to the business's goals, budget, and timeline.

4 On-Page & Technical Optimization

Titles, meta descriptions, schema, site speed, and crawlability — done right.

5 Content, Design & Link Building

SEO-optimized content, on-brand design, and quality backlinks that build authority.

6 Tracking & Reporting

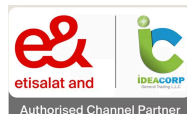

A live Google Sheet, monthly reports, and full transparency on results.

OUR WORK

Projects We've Worked On

A few of the businesses we've helped grow their online presence.

And many more. Beyond these, we've worked on a number of other local and international projects across different industries.

Every client is different. Each one has their own budget and requirements — that's why we don't just offer SEO. We've helped many clients with website development, social media marketing, and Google Ads too, all tailored to what they actually need. Our mission stays the same throughout: bring our clients more leads.

Why Choose SEO Company Lahore

Live Google Sheet

See exactly what's being worked on, updated daily.

Detailed Monthly Reports

Clear reporting on rankings, traffic, and completed work.

AI + Human Expertise

AI-assisted analysis reviewed by real specialists.

AI SEO & AI Overviews

We optimize for how people search now — Google AI Overviews, ChatGPT, and other AI-driven search — not just traditional rankings.

Affordable Pricing, Premium Service

Competitive pricing without cutting corners — premium-quality work at a price that makes sense.

We Treat Your Business Like Our Own

Full transparency and honest communication, always.
